The mission of the College of Nursing is to compassionately educate a diverse community of nurse leaders who demonstrate excellence in advancing interprofessional, equitable, and ethical care.

This mission is achieved through excellence in teaching, learning, and assessment; advancement of implementation science; strong partnership networks; and service to others.

Bluewater Studio was selected to work with the College of Nursing and the Perkins&Will Branded Environments team to help create an environment that expresses and supports the mission and vision of the college.

"The Rosalind Franklin University Team is very happy!"
